BUY YOUR TICKET ONLINE!
You can buy your domestic and international tickets online on this website or in the MÁV app. Buying online not only offers you the comfort and speed of digital transactions, but for certain fare products, it also provides a cheaper alternative compared to buying from a ticket machine or a ticket office. Tickets purchased in the browser with the same user account are also available in the MÁV app.
Only schedule information is available for journeys using more than one means of transport. Tickets have to be purchased separately for bus and for train. Bus tickets can only be presented in the MÁV application, so please download the app.
