

In the decades following the change of regime, on-board catering remained the property of MÁV, and since 1 June 2020 Utasejtó has been operating as **an independent directorate** of the MÁV Group. Our mission remains clear: **to deliver sustainable, modern and high-quality catering services – on board and at stations alike.**

With a continuously evolving menu and a passenger-focused approach, we strive to make your railway journey not only a transport, but a memorable experience – across Hungary and beyond.
