START Klub Card

Travelling is always fun. It is nice to be lost to the world watching the ever-changing landscape; to daydream while listening to music on the way to our beloved ones; to be lost in the papers sipping a nice cup of hot coffee; to go on a trip with friends and family. Travelling is fun and it is worth doing it with a START Club Card. The use of START Club Card introduced by MÁV-START enables you to travel half price in Hungary without any limit even through the whole discount card as soon as possible.
