Procurement Newsletter

We hereby inform you that the Procurement and Logistics Division of MÁV Szolgáltató Központ Zrt. has introduced its Newsletter service to provide information on the new procurement tenders, material and divestiture actions launched by the MÁV Group and any other important event relating to operation to registered users.

Our objective is to supply regular, useful and up-to-date information to companies involved in procurement and sales and to potential customers/supplier partners on our procurement tenders, electronic auctions and sales actions.

Join our free newsletter service by completing the following fields and then by clicking on the register button.
