

Sperrliste 2023 – list of trains not to be used by railway staff with FIP-tickets (private/leisure)

Update for period 11 June – 9 December 2023

Due to expected high occupancy the following trains cannot be used by railway staff for private/leisure purpose with an „Internationalen Fahrscheinheft für das Eisenbahnpersonal“ (leaflet with 4 fields for free travel) unless the - four language - stamp (no supplement/kein Zuschlag erforderlich/Dienstreise) is imprinted on the frontpage.

The use of the trains is restricted to the named OD and indicated days (no matter if it is a holiday or weekend-day).

Holders of an international ticket for railway staff without "supplement-stamp" (Internationales Fahrscheinheft für das Eisenbahnpersonal) using these trains are handled as passenger without valid ticket.

Please Note: Seats marked with “bahn.comfort” are reserved exclusively for special passengers participating in DB’s loyalty program “BahnBonus”.
